

Arcus European Infrastructure Fund 1 Forth Ports

29 April 2011

Formal Approval for Forth Ports PLC Offer (“Forth”)

At Forth’s Extraordinary General Meeting yesterday, the Fund’s recommended cash offer for the Company’s shares (the “Scheme”) was formally approved by Forth’s shareholders.

Accordingly, with the Scheme now formally approved by shareholders, we are completing the necessary court application process and expect the transaction to close in mid June 2011.

In addition, we began working with Forth management on the implementation of our asset management plans going forward.
