

MODERN SLAVERY ACT RESPONSE STATEMENT

This is Arcus Infrastructure Partners LLP's statement on slavery and human trafficking in response to section 54 of the Modern Slavery Act 2015 (the "Act").

Arcus Infrastructure Partners LLP, and its directly and indirectly controlled subsidiaries are collectively referred to as "Arcus".

Arcus is an independent fund manager to a number of private infrastructure funds and managed accounts, specialising in European infrastructure.

Arcus has a zero tolerance for slavery and human trafficking and this is addressed in its policies and procedures including its Environment, Social, Governance ("ESG") policy and due diligence procedures of potential investments.

If there was a specific area of our business at Arcus that was at risk of slavery and / or human trafficking it would be identified in our risk reporting, escalated to senior management and appropriate mitigants would be established and implemented.

Arcus is satisfied through the detailed risk reporting, ESG plans and asset reviews that take place internally that slavery and human trafficking is not taking place in its business.

Staff receive annual compliance training which includes details on the Act.

This statement has been approved by Arcus' management committee and signed by the Co-Managing Partners.
